

# Welcome to the Neighborhood

Sponsored by the Planter's Row HOA & Social Committee

Neighbor,

As you unpack and settle in, keep this handy. At Planter's Row, our goal is to maintain a comfortable and safe atmosphere, a place where we can all take evening strolls, watch out for each other and swap a recipe or two. Always looking to improve, we would greatly appreciate any suggestions or thoughts. In an effort to be neighborly and to say our first "hello", we have put together this quick reference listing. May it serve you well.

Here are a few basics. We distribute quarterly newsletters with at least one updated phone listing. So, if you're new or if your information has changed, please let us know. Our social committee is good for a party or two, where we get a chance to mingle. As for the website, we intend to broaden its use to increase our level of communication among our neighbors.

Relationships are what make a great community. So as new faces move into our neighborhood, we encourage *you* to extend a personal warm welcome. We hope that you'll join us in making our community a lively and exciting place to be. Welcome to your neighborhood.
